Applies to: All permanent employees

1. Scope

This policy applies to all **permanent employees** of MediAssist Health Network across every campus and clinic. Contract and locum staff are governed by separate terms specified in their individual engagement letters. Where a statutory entitlement exceeds the provisions below, the statutory entitlement applies.

2. Leave Types and Entitlements

Leave entitlements differ between clinical staff (doctors and nurses) and non-clinical staff, reflecting roster and continuity-of-care requirements.

Leave Type	Clinical Staff	Non-Clinical	Notes
Earned Leave (EL)	15 days/yr	18 days/yr	Carry forward max 30 days
Sick Leave (SL)	12 days/yr	12 days/yr	Medical certificate beyond 3 consecutive days
Casual Leave (CL)	8 days/yr	10 days/yr	Cannot be clubbed with EL
Maternity Leave	182 days	182 days	Per Maternity Benefit Act, 1961
Paternity Leave	7 days	7 days	Within 3 months of child's birth
Bereavement Leave	3 days	3 days	Immediate family only
Study Leave	5 days/yr	Not applicable	CME / certification courses only
Compensatory Off	As accrued	As accrued	Avail within 60 days of accrual

3. Leave Application Process

All leave is applied for and approved through the **MediAssist HR Portal**. Verbal approvals are not valid. Minimum notice periods and approval routes are:

- **Earned Leave (EL)** — apply at least 7 days in advance; supervisor approves, escalating to the HOD if longer than 5 days.
- **Casual Leave (CL)** — apply at least 2 days in advance; immediate supervisor approves.
- **Sick Leave (SL)** — notify the same day via the app; the supervisor regularises it on your return.

Approval rule

Any leave longer than five consecutive days requires department head (HOD) approval, regardless of leave type.

4. Attendance Tracking

- Attendance is captured by **biometric** punch and the **mobile check-in app** (geo-fenced to campus).
- A **grace period of 10 minutes** applies to shift start times.
- Late arrival beyond the grace period is recorded; **after 3 such occurrences in a calendar month**, each further late arrival is marked as a half-day.
- Missed punches must be regularised on the HR Portal within 48 hours with supervisor approval.

5. On-Call & Duty Roster

Doctors and nurses participate in a rotational on-call roster published by the unit in-charge two weeks in advance. On-call compensation is paid per night:

- **Resident doctors** — ₹800 per night, doubling to ₹1,600 on Sundays and public holidays.
- **Nurses** — ₹500 per night, doubling to ₹1,000 on Sundays and public holidays.

6. Public Holidays

- **10 fixed national holidays** plus **3 floating regional holidays** per calendar year, published each January.
- Clinical staff required to work on a public holiday receive **compensatory off plus 1.5× pay** for that day.

7. Leave Encashment

- Accumulated Earned Leave above the 30-day carry-forward cap is **encashed annually** each March, calculated on basic salary.
- On separation, the full Earned Leave balance is encashed in the final settlement.
- Sick, Casual and Compensatory leave are **not** encashable.

8. Leave Without Pay (LOP) & Special Cases

- **Leave Without Pay (LOP)** is granted only when paid leave is exhausted and requires HOD plus HR approval; it does not count towards service for increments.
- **Half-day leave** may be availed against CL in 0.5-day units via the HR Portal.
- **Sandwich rule:** intervening weekly-offs and holidays between two LOP days are counted as LOP.
- **Leave during probation:** only Sick and Casual leave may be availed; Earned Leave accrues but is availed only after confirmation.

9. Public Holiday List (illustrative)

Ten fixed national holidays are observed each year, with regional floating holidays added per campus state. The illustrative list below is finalised and published every January:

- 1 Republic Day (26 January)
- 2 Holi
- 3 Good Friday
